Notes:

- ✓ Figures may not reflect current degree status of counselors (information in database contains status at time of certification).
- ✓ Because of lost records due to fire in 1991, we do not have exact certification dates for all counselors.
(Checked files of 80+ counselors for an estimated date)
- ✓ Figures in second table include 17 dual credentialed CCDC II and CCDC III counselors.
- ✓ Shaded area shows people who would be grandfathered in for licensure using the proposed grandfathering clause (providing they have been working in the field since certification) = 240 (57.8%)
